

CORPUS LINE
BY WILVORST

For the new season **CORPUS LINE BY WILVORST** presents itself in a **gin bar** and therefore picks up time spirit and life style.

Valuable, innovative and creative looks - **made to measure for individualists** - place accents and separate themselves from the mainstream offers.

Luxury suppliers as **Reda, Guabello, Vitale Barberis, Di Pray, Zegna** and **Loro Piana**, are parts of the collection.

The almost **endless choice of fabrics** fulfils all wishes.

New in the programme: Guabello Dynamico and **Huddersfield** with an according offer of cotton.

The cloth offer **Loro Piana** has clearly been extended.

Indigo, silver grey and **natural colours** are trend building for the next summer season.

Retro patterns are indispensable and generally become more important.

Innovative **fine decorations** from **Cerruti** create new suit patterns.

Combinations of **suits** with **contrasting waistcoat** (e.g. cotton) create new looks.

Prince of Wales patterns with applied **3D window checks** are new, unusual optics.

Silvery retro patterns in combination with **plain structures** follow the trend.

Prominent elegant **checked** fabrics in combination with a „**false**“ **Italian button-3 style** place accents.

Pleated trousers with a big check including a **waistcoat** and in combination with a modern soft casual blazer are highlights of the collection.

Wool, silk and linen in combination with striking checks, made by **Guabello**, are suitable both for business and travelling.

Natural colours support the **vintage trend** – especially innovative in combination with **stretch**.

For the new collection **style cards** with **bust pictures** of the newest **highlight qualities** will be offered.

NEW: The retailer can order **individual master garments** with all options and in all styles.

In addition a **mobile, easy** to install **new shop system** will be offered **CORPUS LINE BY WILVORST**.

A special highlight is the capsule collection **CEREMONIA COMPACT**, which plays with the theme „**wedding suit made to measure**“. The **groom** becomes his **own designer**.

Easiest handling **supported by B2B** in combination with typical ceremonial qualities offer the retailer a unique innovative product.

No pre-order, most attractive **package prices** in combination with a unique **product variety** (lining, buttons, stitching) and in addition an **attractive calculation** are outstanding sales arguments. A **must-have** for every retailer.

Within **15 working days** CEREMONIA products can be delivered without surcharge; with a fee also within **10** or **5 working days**. All options in regard of measurements and customization are included in the package prices.

This product is unique on the market and offers a high grade of **differentiation** for the trade and **highest service features** for the consumer.
